## (6) Bachelor of Music – Concentration in Vocal Performance UNC Charlotte Courses (Can be completed in 2-3 years)

In addition to applying to the university, all students who wish to major in music must complete an entrance audition. See the “Future Students” link at [www.music.uncc.edu](http://www.music.uncc.edu) for more information. Students who complete an A.F.A. in Music at Pitt Community College should follow the Repertoire Guidelines for Students Auditioning for Upper-Division Study (Junior/Senior Level). UNC Charlotte accepts a maximum of 64 semester hours of credit from two-year institutions and requires a minimum of 120 credit hours (including transfer hours) for graduation.

A student with an A.F.A. in Music from Pitt Community College may take 2 to 3 years to complete a B.M. in Music with a concentration in Vocal Performance, depending on the time it will take each individual student to prepare for and complete the junior and senior recitals. Depending on the results of the entrance audition, a student may be exempt from one or two semesters of Primary Ensembles and Secondary Ensembles (MUPF 11XX), one or two semesters of lower-division Applied Music (MUPF 12XX), and one or two semesters of lower-division Performance Class (MUSC 1300). Students who are exempted from two semesters of Primary / Secondary Ensembles and lower-division Applied Music / Performance Class can enter directly into upper-division coursework and may be able to complete the program in two years.

Any music courses at the 1000 or 2000 level, including Phonetics and Articulation I and II and Class Piano III and IV can be taken concurrently with lower- or upper-division coursework.
